to present your poll question creatively.

How to create modern Poll Question Presentation slide step by step:

Example based on visuals from
infoDiagram.com infographics templates

Put each poll response as a separate element. Try using less typical shapes e.g. hexagons or ribbon.

Poll question was...

Response

A

Answer... write here
what was the answer
option...

Response

B

Answer... write here
what was the answer
option...

Response

C

Answer... write here
what was the answer
option...

Response

D

Answer... write here
what was the answer
option...

Add decorative stripes and lighter ones to separate the answers visually.

Poll question was...

Response

A

Answer... write here
what was the answer
option...

Response

B

Answer... write here
what was the answer
option...

Response

C

Answer... write here
what was the answer
option...

Response

D

Answer... write here
what was the answer
option...

Finally, add some rich colors!

Poll question was...

Response

A

Answer... write here
what was the answer
option...

Response

B

Answer... write here
what was the answer
option...

Response

C

Answer... write here
what was the answer
option...

Response

D

Answer... write here
what was the answer
option...

That's it!

Your Poll Question Presentation slide is done!
